

Gen Health Hamilton is seeking...

A Pelvic Health Physiotherapist

Permanent full-time Physiotherapist 80 hours per fortnight, with the option of 64 hours per fortnight if preferred by the successful applicant.

Must have Post Graduate Training & Experience across Women's, Men's and Pelvic Health. current AHPRA registration, Victorian Police Check, Working With Children Check, First Aid and CPR Certificate.

Gen Health Hamilton, **winner of the Southern Grampians Shire Telstra Business Awards 2016 & 2018**, is a vibrant Allied Health clinic, combining Physiotherapy, Podiatry, Exercise Physiology, and Clinical Reformer Therapy (Clinical Pilates). Since its inception, Gen Health has revolutionised patient outcomes in our region.

Scenic Location with Beach, Mountains, Wineries and Adventure

Located in the Western District of Victoria, Hamilton is surrounded by the world-renowned Great Ocean Road [link removed], the stunning Grampians [link removed] region, numerous local wineries and the Coonawarra [link removed] wine region only a short drive away. Hamilton is a beautiful place to live with so much to see and explore!

Our focus at Gen Health is on a collaborative and modern approach to healthcare - which we feel is built from a strong team environment, based around Professional Development and the latest Evidence-Based Practice. We build on team empowerment by entrusting team members with a high level of allocated responsibility, within the daily operations and decision-making.

Team

Our team currently consists of four physiotherapists, three podiatrists, an exercise physiologist & an administration team of four. Gen Health has the capacity to service over 500 patients per week, including more than 100 Clinical Reformer Therapy classes.

What We Can Offer You

Gen Health offers a flexible working environment & strongly encourages work/life balance. We are seeking full time employment (but negotiable) with a maximum of 40 hours per week with a rostered day off per month. An attractive remuneration package will be discussed with the successful applicant. This package also includes;

- DMA Clinical Pilates Unit A training course, valued at \$2000 (full reimbursement)
- Annually, \$1000 towards your choice of Professional Development training
- Annually, \$1000 technology allowance
- 1:1 mentoring from our practitioners in their specialised fields
- Weekly 1:1 Professional Development sessions
- The opportunity to specialise in your interested area of Physiotherapy
- The opportunity to grow your skills and qualifications in DMA Clinical Pilates
- Fortnightly Professional Development sessions with all practitioners (team)
- 2 x paid breaks per day
- 2 x paid administration breaks per week
- Quarterly 'buddy mentor catch ups'
- Monthly social get-togethers
- Flexible hours and working environment
- Inclusive role in the running of Gen Health
- A structured career pathway to enable you to grow your Physiotherapy career in the direction you desire

- Varied caseload of treating patients 1:1 and running Clinical Reformer Therapy classes
- Opportunity to run community and professional talks
- Generous adjustments to your appointment schedule to allow adequate training & administration.
- Training in the use of our online exercise program, Physitrack
- Assistance from us with finding permanent accommodation in Hamilton
- A rare opportunity to grow and develop your skills in a nurtured team environment of young, highly qualified professionals

What Can You Bring?

Our new Physiotherapist would need to be a team player, ideally qualified in DMA Clinical Pilates but not essential, enthusiastic, interested in community events and passionate about furthering their career. They must also be personally and professionally aligned with the values that represent Gen Health.

This is a team environment in which all practitioners have a strong focus on working together. We share patients when necessary, and often have joint consults with the Podiatrist or Physiotherapist. This really sets us apart from the standard expectations associated with Allied Health. We also encourage our practitioners to explore special interests within their field and the community.

Values

Our culture is guided strongly by our mission and our 6 key values

- Striving for outstanding SERVICE
- Fostering PROACTIVE mindsets
- Leading with EMPATHY
- Harboring a TEAM environment
- Translating the latest EVIDENCE into practice
- Being a collaborative COMMUNITY, with all decisions and attitudes reflecting these priorities.

Vision

Our vision, to be 'the most collaborative evidence based health network in the region' shines through with our practitioners passion for furthering their careers. With our commitment to on-going education, Gen Health's speciality fields now include;

- Pelvic Health Physiotherapy
- Paediatric Physiotherapy & Podiatry
- Chronic Disease Management
- Individualised Running Assessments and Training Plans
- Vestibular Rehabilitation
- Persistent Pain
- Hand Therapy & Orthotic Splinting
- Acute Sports Injury Management
- Tendinopathy Management
- 'Lyn Watson' Shoulder Injury Management

To Apply

We work together professionally as a team and our culture is something unique. If this sounds like a team you would like to be a part of, please apply via a 60 second video introducing yourself and why you want to work with us.

Please email your video to jessica@genhealthhamilton.com.au with your resume attached, including your favourite ice-cream flavour listed in the subject line!

We will respond to applications within 2 business days of receiving them, and let you know more about our recruitment process from there.
